

Second, since they are signed, and thus awarded (there is an award date for them) the 21 day clock to accept or decline, or question T&Cs has started. Thus we are disadvantaging the recipients by not notifying them of the award. Recipients must furnish notice of disagreement with T&Cs within 21 days of the date of the award mailing date. For most of these, that clock has started (for Region 3 it started on our two grants on 1/22 and 1/23, respectively). Recipients could have grounds for challenge, I would think, if they chose to do so in that EPA will not have provided the required 21 days since we did not actually mail the award when we said we did. This could be fixable, I suppose, with a waiver or other extension of the 21 days to start when (if) we actually mail the awards, but we should have boiler plate language all GMOs could use to be consistent across the regions in any such communications.

Thank you for the opportunity to express these concerns.

Best,
Ken

Subject: List of IJA/IRA Grants Awarded on 1/15 and later

Hi, GMOs,

As a follow-up to our meeting this afternoon, I am attaching the list of IJA/IRA grants from Charlene (RTPFC) impacted by the pause. Unless you tell me otherwise, my assumption is that mailouts (email notifications) to the recipients on this list were never sent. Again, I am aware of four that went out by mistake. These four have already been addressed separately.

Because the recipients on this list were never notified of award in the first place, I'm of the opinion that a canned message to these recipients stating their ASAP accounts are restricted is both unnecessary and confusing. Instead, I have requested

that Charlene simply restrict access to these funds until further notice (i.e., the pause is lifted and mailouts (email notifications) to the recipients can resume).

Please let me know if you have any concerns with this approach.

Thanks,

Melissa Wise

Hi Rachel,

We need to send this communication to all grant recipients as soon as possible. I believe we have this information collected via our listserv, correct? If not, Phil may be able to assist.

Please copy and paste this message to all our grant recipients:

Subject: Pause EPA Grants

Dear Grant Recipient,

EPA is working diligently to implement the Office of Management and Budget's memorandum, *Temporary Pause of Agency Grant, Loan, and Other Financial Assistance Programs*, to align Federal spending and action with the will of the American people as expressed through President Trump's priorities. The agency is temporarily pausing all activities related to the obligation or disbursement of EPA Federal financial assistance at this time. EPA is continuing to work with OMB as they review processes, policies, and programs, as required by the memorandum.

Thank you.

Subject: BIL and IRA Awarded Grants Data

Phil,

Attached is the requested data. Please review and let me know what revisions you would like to see.

About the Data:

- Report connects NGGS Data Mart and Compass information
- Data is only showing grants/financial data for grant awards that contain BIL or IRA funds
- I have not limited the awards at this time
 - Contains open and closed awards
 - Contains all awards (**not limited** by project end date at this time)

A few data issues for awareness:

- [52 00E03635-2](#) | CFDA = 66.312 | \$1,000,000 (ODN and Compass Doc Number do not match)
- 4R 02J94901-0 | CFDA = 66.123 (CFDA blank in Data Mart)

Melissa/ Phil/ Ken, could we please a list of project officers supporting EJ grants. To help narrow the list of eligible grant programs, I think we can target any grant managed out of OEJECR or a regional EJ division. In terms of the information that we need, could the list please capture the following:

1. Project Officer name
2. Project Officer organization
3. Grant Program/ CFDA
4. Grant number
